Your home insurance renewal

Dear Priya Marlowe,

Your Buildings & Contents policy is due to renew on **14 November 2026**. Unless you tell us otherwise, we will renew it automatically and collect the new premium by Direct Debit from the account ending 4471.

Policy number	HC-0937714-02
Cover	Buildings & Contents, Accidental Damage (Contents only)
Renewal date	14 November 2026
Last year's annual premium	$612.40
This year's annual premium	$748.90
Excess	$250 (escape of water $500)

Your premium has changed because of an increase in claims costs in your area. If you would like to discuss your cover, or to cancel, please call us before **7 November 2026**. If you have had any changes — new locks, a lodger, building work, or items worth more than $2,000 — you must tell us before renewal or your cover may be affected.

Yours sincerely,
Renewals Team, Harbourline
